# Doors n' More

Can dramatically change the appearance of your home with beautiful solid timber doors, windows or bi-folds.

1) Look at the difference aluminium sliders to timber bi-folds make, stunning!

2) Make that entry to your garden or patio a feature. Choose your style we'll do the rest.

3) Enclose that alfresco, make it usable in winter time, bi-folds or hinged, what a difference it makes.

These are just a few scenarios, we can also turn windows into doors, cut internal walls for doorways, gyprock full height openings, the list is endless contact us now for your no obligation free quote.
